ABOUT ME

Hi, I'm Umair Shaikh.

I'm a graphic designer who loves creating simple, clean, and creative designs. I enjoy working on things like logos, posters, social media content, and brand designs. Design is more than just making things look nice — it's about solving problems and helping people understand ideas visually. I like working closely with others to bring their ideas to life in a way that feels clear and professional.

Poster Designs

A poster for catering services. At the top, there is a photo of a plate of food (shrimp, corn, broccoli) and a logo for "Catering" with a sun icon. Below the photo are three black boxes with white text: "NO. 1 for Weddings", "HIGH QUALITY FOOD", and "INDIVIDUAL APPROACH". The main text reads "CATERING SERVICES FOR YOU AND YOUR GUESTS" in bold, black, sans-serif capital letters. Below this is the phrase "Making Every Meal Memorable." followed by "1. Taste the Best, Forget the Rest!" and "Bite into Happiness. Something hot. Something tasty." At the bottom, there are three circular headshots of people with their names below them: "LUKE lawrence", "MARK THOMPSON", and "GLADY CATT". At the very bottom, there is a small line of text: "123 false street/city/country" and "CALL US: 123456789".

A poster for a garage sale. It has a yellow background with a black shopping cart icon at the top. The text "GARAGE SALE" is in large, bold, white, sans-serif capital letters. Below this, on a black background, the text "SATURDAY JUNE 12" is in bold, white, sans-serif capital letters. Underneath, in smaller white text, it says "Discounted prices for clothes, furniture, electronics & more!". At the bottom, "3PM - 6PM" is in bold, white, sans-serif capital letters, followed by "2178 Slack Drive" in smaller white text.

Two large, thin gold arcs are positioned on the left side of the image, one in the upper half and one in the lower half, both curving towards the right.

Thank You!
